

**HEALEY LOUNGE.** Design: PearsonLloyd.

---

Mood piece. Healey Lounge is a modern lounge chair that supports the rituals of our everyday medial life. The outer shell carries the soft upholstery – underlined by the distinctive piped quilting. A genuine tribute to the seats of legendary classic cars. Flowing lines trace the shape precisely. An elegant shell envelops the seat and armrests.

A tool for modern life: the broad upholstered armrest. Easily adjustable for comfort and as a surface for a tablet or smartphone.
