

## LITTLE FRIEND™

The multi-purpose table Little Friend™ designed by Kasper Salto is a small yet significant piece of furniture in the history of Fritz Hansen. The groundbreaking design was the result of a series of think tanks' ideas of new ways of working and living. Little Friend is a flexible, multifunctional and portable solution to the challenges of modern minimalistic working and living. It is perfect for your laptop as well as your morning coffee.

## KASPER SALTO 1967-

Kasper Salto was originally trained as a cabinet maker and later graduated in 1994 from the Danish Design School. In Kasper Salto's work the Danish tradition of furniture design is continued in a well-balanced combination with international industrial design and its new trends. Salto's main source of inspiration is nature and its way of colouring. Kasper Salto has already received several design awards for his work. Salto has also designed the Ice™ series and NAP™ series.

## DESCRIPTION

Multi-functional table designed by Kasper Salto, manufactured by Fritz Hansen.

The table is available in two models: A height-adjustable version and a version with fixed height. The button on the top of the height-adjustable model is made of brass, polished and chromed and activates the height adjustment. The top has a cut-out carrier handle. The centre tube on the height adjustable model is a telescope tube: The outer tube is in mirror chromed steel and the inner tube is in satin matt steel. On the model with fixed height the centre tube is in mirror chromed steel. The three-legged foot and the flange are pressure moulded polished aluminium. Also available with a lacquered base matching the tabletop.

Model KS11 - Height adjustable

Model KS12 - Fixed height
